School Accountability Report 2007-2008 School Year

School Performance Summary

Overall Academic Performance on State Assessments **Excellent**

Academic Growth of Students **Typical**

Winner of a John Irwin School of Excellence for the 2007-2008 School Year

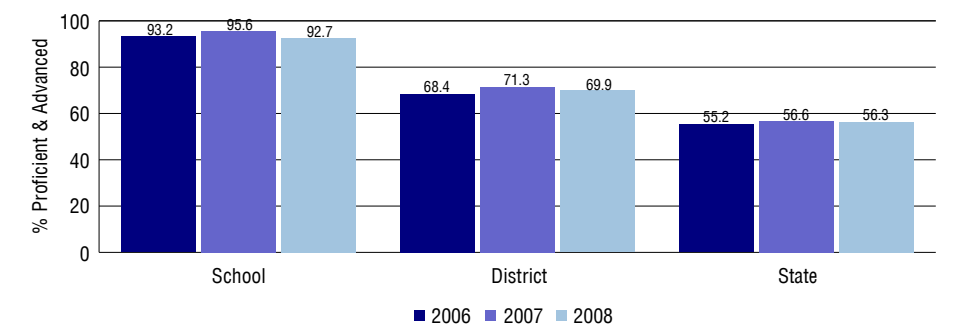

Overall Academic Performance on State Assessments

Each school in the State received a rating of "Excellent", "High", "Average", "Low", or "Unsatisfactory" for student academic performance based on 2007-2008 CSAP and COACT results. The rating is calculated using weighted percentages of each CSAP proficiency level for all content area and grade results for the school, as well as average COACT Reading, Writing, and Math Grade 11 results.

Academic Growth of Students

Each school in the State received a rating of "Low", "Typical", or "High" for student academic growth based on CSAP results. The calculation method is new for 2007-2008. The rating is calculated using student percentile scores matched over two years. More information about the Overall Academic Performance rating and Academic Growth of Students calculations can be found here: http://www.cde.state.co.us/cdeassess/SAR_Info.html.

SCHOOL INFORMATION

School Pride (as submitted by your district)

- We have successfully implemented our mission which is to provide each student with a content-rich, academically rigorous education using a sequential curriculum
- Littleton Academy's elementary and middle school have received the John Irwin School of Excellence Award each year since its inception in 2001.
- Students are grouped according to their mastery levels in reading and math, allowing for small group instruction to help meet individual needs.
- We enforce structured discipline and uniform policies to support a positive learning environment that is free of disruption and safe for all students.

School Goals (as submitted by your district)

Although we take great pride in our academic achievements, continued improvement remains a focus. Currently, our Student Learning Cornerstone Goal states, '90% of 5th and 8th grade students will score proficient or advanced on the Science CSAP by 2009.' We are emphasizing alignment with the state science standards, specifically teaching and understanding the scientific method at all grade levels. We have a secondary goal to use technology in a consistent, coordinated, sequential manner throughout the grade levels. We will achieve this with an emphasis on student instruction, staff development, and priority of budgetary resources.

No Child Left Behind - Adequate Yearly Progress

Did your school make AYP in reading? Yes Math? Yes
 How many targets does your school have? 12 Met? 12

Based on this school's academic performance, your child may be eligible for one or more of the following; ask your school if your child qualifies for:

Extra academic instruction either before or after-school, or in the summer
 Mentoring
