

## ELEMENTARY 2009-2010 BUS ROUTES

The following is a list of bus pickup times and stops for the 2009/10 school year. Locate the stop closest to your home, listed under the appropriate school. Students should arrive at the bus stop no earlier than five (5) minutes before the scheduled pickup time.

All bus route numbers begin with "L." These signs are placed to the left of the bus' front door under the first window and on the back above the right window. Published elementary bus routes will list symbol names next to the "L" route number. These symbols will help elementary students locate their buses after school.
