

How can technology help you in your classroom?

MONDAY MODELS

Earn credits while you learn what you want to know about using technology. On alternate (usually) Mondays, you can attend classes about technology tools, techniques, or treasures. Teachers, topics, and locations will be advertised two weeks in advance. Most classes are at the ESC in room 168, from 4-6pm.

Pick and choose from 12 sessions throughout the year. Attendance at

- 4 sessions earns .5 LPS credits
- 8 sessions earns 1 LPS credit
- 12 sessions earns 1.5 LPS credits

No cost. No pre-registration. No hassles.
