South Metro Realtors Association Honors the LPS Foundation

On Friday, September 28, 2007, at the Hyatt Regency DTC, the South Metro Denver Realtor Association presented its "2007 Community Service Award" to the LPS Foundation.

The purpose of this award is "to recognize an outstanding organization for their significant contribution to our community".

Accepting this trophy, LPSF President Mary McGlone said, "We are extremely grateful to be the recipient of this award and thank all of those who continually contribute to the Foundation, making it possible for us to fund teacher grants and special projects for the school district."

Since its founding in 1992, the LPS Foundation has received funding resources from many, including our corporate and business partners, individuals and families, and the LPS Combined Charities Campaign.

This has made it possible for the Foundation, in 2006-2007, to provide nearly \$154,000 in funding to the LPS teacher/student community.

Fund a Grant and Be A "Friend of LPSF" With Grants-On-Line

It's really easy. Go to www.lpsfoundation.com and click on **Grants-On-Line**. Here you'll find all of the grant requests that have been submitted by LPS teachers who are in need of funding for their special programs.

Since the LPSF was founded in 1992, the number of grants requests submitted each year by LPS teachers has exceeded the Foundation's ability to fund them all. Through Grants-On-Line, these requests are now open to funding by the greater Littleton community and beyond, providing the opportunity for all LPSF partners - individuals, businesses, and corporations - to join us in our grant funding mission and to also become a "Friend of LPSF".

Visit www.lpsfoundation.com today and make a gift that directly benefits the future of our LPS students.

The Littleton Public Schools Foundation is a 501(c)(3) non-profit corporation and all donations may qualify as deductions for tax purposes.

End-of-Year Tax Donations

When you do your year-end tax planning, we hope you will choose to use the income tax charitable deduction. Your 2007 year-end gift can significantly reduce your income taxes, while providing meaningful support for the work of our LPS teachers and students.

If you itemize, no matter what your income, you can almost always reduce the tax amount you must pay through charitable giving. The amount you save will depend on your tax bracket.

Also, there is no easier way to earn a charitable deduction for 2007 – and support us at the same time – than by simply writing a check! Some employers will match employee charitable gifts, meaning your gifts are worth even more. If your company or firm has a matching gift program, simply enclose the company form along with your check.

Giving, of course, is much more than just tax brackets and deductions. Your generous gift enable the LPS Foundation to be even better at meeting our goals and those of the District.
