	Assessment Name	Grade(s) Assessed	Term	*Required for all students (Y/N)	Testing Windows		Student Time on Task (hours)	How Results are Used
					Start Date	End Date		
District/School Required	Measures of Academic Progress (MAP) Reading & Mathematics	Grades 6-8	S1	N	08/22/2016	09/23/2016	1.5	MAP is a computer adaptive test designed to give teachers real-time instructional information on students, as well a national comparison. Teachers use the formative growth and achievement data throughout the year to develop targeted instructional strategies and to plan school improvement. MAP test results are reported immediately after completing each test and help educators make student focused, data-informed decisions. These assessments help with progress monitoring of our district achievement and growth goals. They also predict performance on CMAS and college-readiness assessments.
			S1	N	12/01/2016	01/13/2017	1.5	
			S2	Y	04/13/2017	05/05/2017	1.5	
State Required	Assessing Comprehension & Communication in English from State to State for English Language Learners (ACCESS)	Grades 6-8	S2	N	01/10/2017	02/10/2017	3	ACCESS is a computer based English language proficiency assessment given annually to students in Kindergarten through 12th grade who have been identified as English language learners (ELLs). It provides educators and parents information about the English language proficiency level in the language domains of Listening, Speaking, Reading and Writing. The achievement and growth data are part of the school accountability system in Colorado.
	National Assessment of Educational Progress (NAEP)**	Grade 8	S2	N	01/30/2017	03/10/2017	1	NAEP assessments are administered across the nation to represent samples of students at grades 4, 8, and 12 in the content areas of mathematics, reading, science, writing, the arts, civics, economics, geography, U.S. history, and in Technology and Engineering Literacy. The results serve as a common metric for all states and selected urban districts to provide a clear picture of student academic progress over time in the nation.

<b>State Required</b>	<b>Colorado Measures of Academic Success (CMAS) - Includes Alternate Assessments</b>							
	English Language Arts & Math	Grades 6-8	S2	Y	04/03/2017	04/28/2017	9.16	The results of the state tests, Colorado Measures of Academic Success (CMAS) English Language Arts, Mathematics, Science, and Social Studies, help our teachers and school leaders determine specific areas of focus to best meet student needs. These areas of focus become the basis for building Unified Improvement Plans and strategically guide schools in improving learning for all students. Assessment results help us understand a student's specific areas of strength and opportunities for improvement. We use the individual results to help plan students' curriculum in specific classes. For example, if a student did very well on critical thinking tasks, we will include higher level tasks in his/her classwork. If that same student struggled with comparative writing, we might plan to structure his/her writing instruction differently. These tests also help us predict in ninth grade and tenth grade if a student will be successful on the ACT. We are able to put in to place the coursework that will ultimately help students be successful and college and career ready. These assessments help with progress monitoring of our district achievement and growth goals. The achievement and growth results are the foundation of school accountability in Colorado.
