Dear Eagle Parents and Students:

We have heard that some of our senior students may be planning to attend another LPS property during the school day. Attending other schools or programs that you are not currently enrolled in (i.e. LHS, AHS, Voyager, or Options) violates our safety protocol and the LPS Code of Conduct. If you enter another school campus other than the ones you are enrolled in, there will be disciplinary consequences and possibly legal consequences. As the school year closes, we remind you to continue to make safe and smart choices. If you have any questions, please reach out to your child's administrator.

Take Care,
